## Classroom Wish List

Help parents support their child's education by filling out a Wish List & letting parents know you have one! Many teachers received several (or all) of the items from their list last year...

Did YOU have one on file?

If not, bring yours in before Open House!

Two ways to create a list:

1. Stop in & ask our staff for a Wish List
2. Go online & print one out to complete with the help of our on-line store.

Not only will your students be happy you did, but you'll help families connect with their child's learning!
